Upcoming Events

Miracles in Motion ~ Saturday, August 8, 2015

We are excited to combine 2 of our fundraising events into 1 great day at Oakes Field in South Charleston!

Miracles in Motion will feature CTC's "Make a Miracle Walk/Run" (includes 5K walk, 5K & 10k runs, & Children's Fun Run) and the "High Heel Hike for Autism".

Make a Miracle Walk/Run Details — NEW location & time!

You'll find the registration form for the 5K Walk, 5K & 10K Runs, and Children's Fun Run on page 3 of this newsletter. Check-in & race day registration will begin at 6:45 am. Make a Miracle 2015 will kick off at 8 am at Oakes Field in South Charleston. Both run routes will begin on the track at Oakes Field. The 5K course will go through downtown South Charleston (all flat). The 10K run will follow the 5K course with the exception of going up Central Ave into the neighborhood (some hills). The Children's Fun Run will take place on the track after the 5K & 10K runs are completed.

High Heel Hike for Autism Details

If you would like to form a team for the High Heel Hike for Autism, visit the website highheelhike.com and choose Charleston, WV for Children's Therapy Clinic's event. Check-in for the High Heel Hike for Autism participants will begin at 10am and the "Hike" will be held about 11:15 on the track at Oakes Field.

Registration for all events is \$25 until July 24th, \$30 after. (Children's Fun Run registration is \$10 until July, 24th, \$15 after).

All proceeds support therapy services at Children's Therapy Clinic.

Sponsorship opportunities are still available!

Call the clinic at (304) 342-9515 for more details.

Permit No. 2

Children's Therapy Clinic is a private, non-profit organization located in Charleston, WV. We provide therapy services (Physical, Speech, Occupational, and Music Therapies and an Autism Socialization program) to children with special needs. The children that CTC serves come from low-income families and/or have insufficient or no insurance coverage for their condition.

For 80 years, we have helped children and young adults take their first steps, speak their first words, and live more independent lives.
